### El Camino's Newspaper Wins Pacemaker Award

The Warhoop, El Camino College newspaper produced by the college's journalism department, has been selected for a Pacemaker Award for overall excellence among college newspapers by the American Newspaper Publishers Association and the Associated Collegiate Press.

The award, the second Pacemaker Award to be given to the college weekly, will be presented in October during the annual convention of the Associated Collegiate Press. The first time the Warhoop was named was in 1962.

Advisor to the Warhoop is W. A. Kamrath of Redondo Beach who served this year as president of the Journalism Association of Junior Colleges. First semester editor of the Warhoop was Marcia Smith. Current editor is Dale Boller.

The Pacemaker Awards are made jointly by the American Newspaper Publishers Association whose headquarters are in New York and the Associated Collegiate Press which is based at the University of Minnesota. The awards are given on the basis of judging by professional journalists.

The Warhoop is the only California junior college to win two of these awards.

### Attendance Boundaries Will Exclude Gardena

A change in the traditional attendance boundary limits for students enrolling at El Camino College will come about beginning with the fall semester as a result of the opening of the new Southwest Junior College by the Los Angeles Junior College District.

Students in the Gardena area, who for the past several years have had the right to attend El Camino under a contract agreement between the El Camino Board of Trustees and the Los Angeles Board of Education, will not be allowed to attend El Camino unless they obtain an out-of-district permit from the L.A. district office.

ed to Dr. John A. Grasham, president, Southwest Junior College, 1111 Figueroa Place, Wilmington.

Students from the area affected by the ruling who have been enrolled at El Camino and who complete the present spring semester there may apply for a permit to continue their college work at El Camino.

Permits for both part-time and full-time students must be obtained from the Los Angeles district prior to registering at El Camino. Fall semester registration at the ECC campus ends Sept. 1.

Students attending El Camino under a permit granted for this purpose must have continuous enrollment.

"The Los Angeles Board of Education has advised us that students whose legal residence is in the Los Angeles Junior College District — including the Gardena area — will be expected to attend the new college or one of the other six L.A. junior colleges beginning with the fall semester of 1967," said Dr. Leo M. Christian, dean of admissions at El Camino.

Inquiries regarding enrollment at the new southwestern campus should be directed to Dr. John A. Grasham, president, Southwest Junior College, 1111 Figueroa Place, Wilmington.
